SEntrA Project

Promoting youth social entrepreneurship through non formal learning

Transnational Training Course

14-18 June 2022, Limassol, Cyprus

Short description and Application Information

About SEntrA and Training Course

Project Goal:

SEntrA aims to promote social entrepreneurship among young people by offering a set of non-formal learning tools supporting youth workers and organizations to actively enhance youth social entrepreneurship.

SEntrA is a transnational initiative of five partners. It is led by the Atlantic Technological University (Ireland) and the partners are Asset Technology (Greece), Norsensus Mediaforum (Norway), Fundatia Danis (Romania) and ARIS (Cyprus). The project is co-funded by the European Commission through Erasmus+ Programme and its National Agency in Ireland - Léargas.

Specific objectives of the training course:

- Educate and train youth workers with all the aspects of social entrepreneurship.
- Provide youth workers with an in depth understanding of how to set-up and run a social entrepreneurship accelerator program/ a social entrepreneurship education program, in order to support youth to develop their social initiatives following the Sustainable Development Agenda and the design thinking mindset and process.
- Develop youth workers' skills and competencies in the social entrepreneurship context both in terms of theory and practice but also in terms of the accelerator program know-how.
- Inspire youth workers from different European countries to work together in an international perspective, transfer knowledge and share their experiences.
