ARIS | A REALLY INSPIRING SPACE OPENS ITS DOORS TO NEW START-UPS AND SCALE-UPS

Applications are open!

ARIS is a non-profit organisation established in association with Deloitte, with the sole purpose of offering start-ups and scale-ups with the structure, mentorship and network needed to grow successful business ventures. The acceleration programme has been designed and is being curated by Deloitte's Innovation and Entrepreneurship Centre. The accelerator targets start-ups that want to speed up the execution time of their projects and expedite their go-to-market speed and scale-ups that need business or financial support to develop and expand further their business.

What we offer:

- 1. Mentoring:** Providing guidance with product and customer validation, marketing, product development & pitching.
- 2. Pitching:** Hands-on advice on how to create your pitch deck and develop your pitching skills.
- 3. Networking Opportunities:** Develop connections with industry partners, mingle with likeminded people, and build a network.
- 4. Co-working Space:** A fully furnished office space, hot desk and conference rooms.
- 5. Funding Opportunities (grants):** Organise workshops on available funding and provide assistance on the preparation of proposals.
- 6. Financial Projections:** Template to prepare your Financial Projections and provide feedback.
- 7. Connecting with Investors:** ARIS prepares residents and introduces them to potential investors.

We are looking for start-ups or scale-ups that:

- Have solid growth potential in the global market
- Develop a technology-based innovative product/service
- Have the capabilities required to implement a product/service and maintain a sustainable business

Are you ready to take your start-up or scale-up to the next level?
